# THE LITTLE BOOK OF CRUELTY FREE

2010

The Little Book of Cruelty Free is produced by the BUAV to help you feel confident that you are buying products that are not tested on animals. Look for the BUAV's Leaping Bunny logo: the only globally recognised logo that guarantees products are cruelty free at every stage of development.

We are constantly working to convince more companies to become cruelty free, therefore, for a regularly updated list and more information about the BUAV's work please visit: [www.gocrueltyfree.org](http://www.gocrueltyfree.org)

You can help end the suffering of thousands of animals by purchasing products from BUAV Approved companies. In this book you will find all sorts of products ranging from soaps to shampoos and bathroom cleaners to dishwasher tablets!

It's easy to shop BUAV Approved!

## HOW DO I GO CRUELTY FREE?

It's easy! Simply choose cruelty free products from the companies listed in this booklet. Some of the UK's leading high street retailers are BUAV Approved, so it's now easier than ever to buy products which are not tested on animals.

### Key Symbols:

- \* Vegetarian Society Approved
- \*\* Vegan Society Approved
- The company is BUAV Approved; however the parent company is not.

## CONTACT US

Please help us end cosmetics and household product testing on animals by making a donation today!

The BUAV receives no government or lottery funding meaning we rely on supporter donations to enable us to run the BUAV Approved scheme.

We desperately need funds to enable us to investigate, challenge, lobby and campaign for animals worldwide. A gift from you will help us encourage more companies to become BUAV Approved and proudly display the Leaping Bunny logo on their products.

Please help animals today by making a donation on our website [www.buav.org](http://www.buav.org). Alternatively you can call us on 020 7619 6977 to donate over the phone.

Thank you!
